The Clouds Will Soon Roll By  
Woods and Brown, 1930  
Sung by Elsie Carlisle

Somewhere the sun is shining, so Honey, don't you cry
We'll find a silver lining. The clouds will soon roll by.

I hear a robin singing, upon a treetop high
To you and me he's singing, the clouds will soon roll by.

Somewhere the sun is shining, so Honey, don't you cry
We'll find a silver lining. The clouds will soon roll by.

Night seems darkest just before the dawn, just as the day breaks near
Soon we'll see a sunny sky. It's time to dry your tears.

Each little tear and sorrow, only brings you closer to me.
Just wait until tomorrow, what a happy day that will be.

Down Lover's Lane together we'll wander you and I,
Goodbye to stormy weather. The clouds will soon roll by.

Goodbye to stormy weather. The clouds will soon roll by.
